Erica Muxlow motioned to approve the agenda, Doug Powell second. There was no opposition.

4. GENERAL PUBLIC COMMENT (Three-minute time limit per person.) Action will not be taken on the matters considered during this period until specifically included on an agenda as an action item (First)

There was no public comment.

5. For Possible Action - Discussion and deliberation of minutes of the Pahrump OHV Park Advisory Committee meeting of June 09, 2022.

Erica Muxlow motioned to approve the minutes for June 9, 2022, Doug Powell second. There was no opposition.

6. Announcements (First)

Erica Muxlow announced that Dal Shemp has resigned from the committee. Arnold Knightly and Courtney have been informed and we have requested that they post a notice that we are accepting new applicants. This also means that we will be able to vote to promote one of our alternates to voting members of the committee.

7. Committee Comments (This item limited to announcements or topics/issues proposed for future workshops/agendas).

No comments

8. Liaison/Nye County Staff/Town Staff Comments (This item limited to announcements or topics/issues proposed for future workshops/agendas).

Jimmy Martinez informed the committee that the Surface Area Disturbance (SAD) permit has been approved, so we can move up to 40 acres of dirt.

9. For Possible Action – Discussion and deliberation regarding the budget. Tom Bolling will provide a status on how the budget has been spent and what we can expect moving forward.

Tom Bolling advised that we have used \$14,440.13. We have a balance of \$115,746.13 in County Funds and \$135,310.18 in Grant Funding for a total of \$251,056.31.

Jimmy Martinez noted that the cost of the cement is not represented in that figure, as it is in the process of going through finance. Once it is finalized, this cost will be added to the total.

Tom Bolling stated that we could start leveling the land and must plan for the track. The committee will need to decide how to proceed. We have approximately 5000 yards of clay that can be used. This is important because the clay holds a lot of moisture.

We plan to move dirt in September when moisture will be less of an issue due to the weather and the fact that the well will be ready for use at that time.

We currently have an issue with the hydrant only delivering 40 gal/min, which takes 100 min to fill the water truck. Once the well is in use, we will be able to fill the water truck very quickly at the rate of approximately 300-400 gal/min.

10. For Possible Action – Discussion and deliberation regarding the perimeter fence and sound barrier.

Jimmy Martinez stated that we decided to hold off on the perimeter fence until the sound barrier is constructed.

Tom Bolling stated that it would be possible to create the sound barrier on the west side without impacting the perimeter fence.

11. For Possible Action – Discussion and deliberation regarding Advisory Board updates on their respective areas.

There were no updates.

12. For Possible Action – Discussion and deliberation regarding the Letter of Support for the Big Dunes Road in Amargosa Valley.
