THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY,

DO ENACT AS FOLLOWS:

Section 1. The Town, acting by and through the Board, in addition to the powers elsewhere conferred upon the Town, is hereby authorized and

empowered, upon its behalf, without the necessity of another election or other or further preliminaries, to issue the Town's negotiable, coupon, general obligation bonds (herein sometimes designated as the "bonds"), in the aggregate principal amount of not exceeding \$50,000.00, or such lesser amount as may be necessary or desirable, as determined by the Board, for the purpose of constructing a community multipurpose building within the limits of the Town, and purchasing necessary furniture and equipment therefor.

Section 2. 1. The bonds shall be sold at public sale in accordance with NRS 350.120 to 350.160, inclusive, or at private sale, as the Board may determine, for not less than the principal amount thereof and accrued interest thereon, or, at the option of the Board, below par at a discount of not exceeding 6 percent of the principal amount thereof and at a price which will not result in a net interest rate to the Town of more than 6 percent per annum computed to maturity according to standard tables of bond values including as a part of such rate the amount of discount permitted by the Board on the sale of the bonds.

2. No discount (except as herein otherwise provided) or commission shall be allowed or paid on or for any bond sale to any purchaser or bidder, directly or indirectly.

3. The Board may employ legal, fiscal, engineering and other expert services in connection with the Project and the authorization, issuance and sale of the bonds.

Otherwise the bond proceeds shall be used to defray the cost of the Project, which cost, at the option of the Board, may include all or any part of the incidental costs appertaining to the Project, including without limiting the generality of the foregoing, preliminary expenses advanced by the Town from funds available for use therefor in the making of surveys, preliminary plans, estimates of cost, other preliminaries, the costs of appraising, printing, employing engineers, architects, fiscal agents, attorneys at law, clerical help, other agents or employees, the costs of making, publishing, posting, mailing and otherwise giving any notice in connection with the election, any bond sale, or otherwise appertaining to the Project, the taking of options, the issuance of bonds, the capitalization with bond proceeds of any sale discount, or interest on the bonds for any reasonable periods, or both, the acquisition of properties by condemnation, or otherwise, and all other expenses necessary or desirable and appertaining to the Project, as estimated or otherwise ascertained by the Board. Bond proceeds may also be used to repay any emergency or temporary loan incurred by the Town to defray temporarily all or any part of the cost of the Project.

5. Any unexpended balance of bond proceeds remaining after the completion of the Project shall be paid immediately into a fund created for the payment of principal of and interest on the bonds and shall be used therefor, subject to the provisions as to the times and methods for

their payment as stated in the bonds and in the proceedings authorizing their issuance.

6. The validity of the bonds shall not be dependent on nor be affected by the validity or regularity of any proceedings relating to the Project.

7. The purchaser or purchasers of any bonds shall in no manner be responsible for the application of the proceeds of the bonds by the County, the Town, the Board, or any of the officers, agents and employees of the County or Town.

8. No bonds hereby authorized shall be delivered after the expiration of 5 years from the effective date of this act.

Section 3. The bonds may be issued at one time or from time to time in one series or more. Each series of bonds shall be authorized by ordinance of the Town.

Such recital shall conclusively impart full compliance with all of the provisions hereof, and all bonds issued containing such recital shall be incontestable for any cause whatsoever after their delivery for value.

Section 5. 1. The bonds of any series hereunder shall:

(e) Have interest coupons attached in such manner or otherwise appertain to the bonds so that the coupons can be presented for payment of the installments of interest without injury to or presentation of the bonds (unless the bonds be registered for payment as to both principal and interest and there thus be no coupons), each of which coupons shall be consecutively numbered and shall bear the number of the bond to which it appertains;

(f) Be made payable in lawful money of the United States of America, at such place or places within or without or both within and without the State, as may be provided by the Board; and

2. Any ordinance authorizing the issuance of any bond series may provide for the redemption of any or all of the bonds prior to their respective maturities, upon such terms, in such order, or by lot, or otherwise, and upon the payment of such premium, if any, not exceeding 6 percent of the principal amount of each bond so redeemed, as the Board may determine and State in the ordinance.

3. Bonds may be issued with privileges for registration for payment as to principal alone, or both principal and interest, at any bondholder's option, or for registration for payment only in either manner designated; and where interest accruing on the bonds is not represented by interest coupons, the bonds may provide for the endorsing of payments of interest thereon or for reconverting the bonds into coupon bonds, or both for such endorsement and such reconversion.

4. The bonds generally shall be issued in such manner, in such form, with such provisions for conversion into bonds of other denominations, with such recitals, terms, covenants and conditions, and with such other details, as may be provided by the Board in the ordinance or ordinances authorizing the bonds, except as herein otherwise provided.

5. Pending preparations of the definitive bonds, temporary bonds in such form and with such provisions as the Board may determine may be issued.

6. Subject to the payment provisions herein expressly provided, the bonds, any interest coupons appertaining thereto, and any temporary bonds shall be fully negotiable within the meaning of and for all the purposes of the Negotiable Instruments Law.

(a) May provide for the initial issuance of one or more bonds (in this subsection 7 called "bond") aggregating the amount of the entire issue or any portion thereof;

(b) May make such provision for installment payments of the principal amount of any such bond as it may consider desirable, and for the endorsing of payments of principal on such bond; and

(c) May provide for the making of any such bond payable to bearer or otherwise, registerable for payment as elsewhere provided herein, and where interest accruing thereon is not represented by interest coupons, for the endorsing of payments of interest on such bond; and

(d) May make provision in any such proceedings for the manner and circumstances in and under which any such bond may in the future, at the request of the holder thereof, be converted into bonds of smaller denominations, which bonds, of smaller denominations may in turn be either coupon bonds, or bonds

registered for payment, or coupon bonds with provisions for registration for payment..

8. In case any outstanding bond shall become mutilated, or be destroyed, stolen or lost, the Town may authenticate and deliver a new bond (with appropriate coupons attached unless registered for payment as to interest) of like tenor, number and amount as the bond and appurtenant coupons, if any, so mutilated, destroyed, stolen or lost:

(a) In exchange and substitution for such mutilated bond and appurtenant coupons, if any, or

(b) In lieu of and substitution for the bond and appurtenant coupons, if any, destroyed, stolen or lost:

(1) Upon filing with the Town evidence satisfactory to the Board that such bond and appurtenance coupons, if any, have been destroyed, stolen or lost, and proof of ownership thereof, and

(2) Upon furnishing the Town with indemnity satisfactory to the Board, upon complying with such reasonable regulations as the Board may prescribe, and upon the payment of such expenses as the Town may incur in connection therewith.

9. The Town may also reissue any outstanding bond (upon such terms and conditions as the Board and the holder thereof, or, if registered for payment to other than bearer, the registered owner thereof, may determine) which shall not have become mutilated, destroyed, stolen or lost, regardless of whether so provided in any proceedings authorizing its issuance.

10. Any bond shall be executed in the name of and on behalf of the Town, signed by the chairman of the Board, countersigned by the county treasurer, ex-officio town treasurer, with the seal of the Town affixed thereto, and attested by the county clerk, ex-officio town clerk.

11. Any interest coupons shall be payable to bearer and shall bear the original or facsimile signature of the county treasurer, ex-officio town treasurer.

12. Any bond may be executed as provided in the Uniform Facsimile Signatures of Public Officials Act. (A compliance therewith is not a condition precedent to the execution of any coupon with a facsimile signature.)

13. The bonds and coupons, bearing the signatures of the officers in office at the time of the signing thereof, shall be the valid and binding obligations of the Town, notwithstanding that before the delivery thereof and payment therefor, any and all of the persons whose signatures appear thereon shall have ceased to fill their respective offices.

14. Any officer authorized or permitted to sign any bond or coupons, at the time of its execution and of the execution of a signature

certificate, may adopt as and for his own facsimile signature the facsimile signature of his predecessor in office in the event that such facsimile signature appears upon the bond or coupons appertaining thereto, or upon both the bond and such coupons.

Section 6. Bonds issued hereunder shall be a debt of the Town, and the Town shall thereby pledge its full faith and credit for their payment.

Section 7. 1. The bonds authorized to be issued under the provisions hereof shall be payable from general (ad valorem) taxes levied against all of the taxable property in the Town, including the net proceeds of mines.

2. Insofar as legally possible, within the limitations of section 2 of article X of the constitution of the State, the bonds shall be payable both as to principal and interest from taxes, fully sufficient for that purpose, after making due allowances for probable delinquencies, to be levied on all such taxable property within the boundaries of the Town, without limitation as to rate or amount (except for the designated constitutional limitation) and without regard to any statutory limitation now or hereafter existing.

3. It shall be the duty of the Board and of any other body as may be charged with the duty of levying taxes in the Town, annually in due season to provide for the levy of taxes fully sufficient, after making due allowances for probable delinquencies, to assure the prompt payment of all such principal and interest as the same become due.

4. In case the moneys produced from such levies, together with any other revenues of the Town available therefor, are not sufficient to pay the principal of and interest on the bonds as the same become due, and to pay any defaults and deficiencies, the Board shall make such additional levies of taxes as may be necessary for such purposes, and, notwithstanding any limitations, such taxes shall be made and continue to be levied until the bonds (as well as any other bonded debt of the Town) are fully paid.

5. Any such tax levy shall enjoy the same priority as provided by NRS 350.250 for other taxes levied for the payment of bonded indebtedness over taxes levied for all other purposes where reduction is necessary in order to comply with the limitations of section 2 of article X of the constitution of the State.

6. The Town may pay the principal of and interest on any bonds from any available revenues, and the levy or levies of general (ad valorem) taxes herein provided may be diminished to the extent such other revenues are available for the payment of such principal and interest.

Section 9. Whenever the county treasurer, ex-officio town treasurer, shall redeem and pay any of the bonds issued under the provisions of this act, he shall cancel the same by writing across the face thereof or by stamping the word "Paid," together with the date of its payment, sign his name thereto, and transmit the same to the county auditor, ex-officio town auditor, taking his receipt therefor, which receipt shall subsequently be filed with the records of the county clerk, ex-officio town clerk. The county auditor, ex-officio town auditor, shall credit the county treasurer, ex-officio town treasurer, on his books for the amount so paid.

2. No other act or law with regard to the authorization or issuance of securities or the exercise of any other power herein granted that provides for an election, requires an approval, or in any way impedes or restricts the carrying out of the acts herein authorized to be done shall be construed as applying to any proceedings taken hereunder or acts done pursuant hereto, except as herein otherwise provided.

3. The provisions of no other law, either general, special, or local, except as provided herein, shall apply to the doing of the things herein authorized to be done; and no public body, other than the Town acting by and through the Board, shall have authority or jurisdiction over the doing of any of the acts herein authorized to be done.

4. The powers conferred by this act shall be in addition and supplemental to, and not in substitution for, and the limitations imposed by this act shall not affect the powers conferred by, any other law.

6. No part of this act shall repeal or affect any other law or part thereof, it being intended that this act shall provide a separate method of accomplishing its objectives and not an exclusive one; and this act shall not be construed as repealing, amending or changing any such other law.

Section 16. If any section, paragraph, clause or provision of this act shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this act.

Section 17. This act shall become effective upon its passage and approval.
